LAND REFORM

NOTESHEET - NOTA VEL

1. *Comply with CRC 6 of 2005: requires that the full names of the conveyancer, notary, etc. be disclosed concerning the declaration certificate by the conveyancer, notary, etc.*

(We have observed that many a conveyancer does not comply with CRC 6 of 2005 since the current TDR format does not provide for disclosure of the full names.

We have a duty to apply Chief Registrars Circulars until such time it is amended or withdrawn and examiners must therefore ensure that the full names of the conveyancer/attorney are disclosed, the date inserted, even if TDR does not provide for full names to be disclosed.
